

2018 Fair Dedication

Tom Brobson & David Brady

Tom and David have played active and pivotal roles in the Newport Agricultural Fair. They have been on the Board of the Directors for the last 18 year as well as serving in several other forms. Tom has been Department Head of Baking from 2001 to the present. Sharing his position with David, representing with dedication and passion. They help keep it an organized and pleasant experience for ors and for the viewing public alike.

David and Tom are Co-Department Heads of Forestry Field Days. They took over in 2002 and have been sponsoring and running this exciting and loved event for the last 16 years. We understand the major prep work that goes into this event.

In 2003, they began sponsoring the Largest Tomato Contest in the name of their Christmas Tree Farm and they have continued doing so ever since. Sometimes they even win the contest themselves!

The Fair depends on people who are community minded and are willing to jump in and help with the seup, execution and cleanup of the fair. Both of these men have worked hard year in and out to ensure that the traditions of our Fair remain intact. We are definitely a better Fair with Tom and David, and we hope to have them on our Team for many years to come.

Congratulations and thank you for all that you do!
